

CAR OF THE MONTH:

Mark & Barb Reeb - 1939 Chevy

Board Member Reports:

President:

Dave called the meeting to order at 7:00 pm at the Vault Taphouse Bisto & Beer Garden in Black Diamond. No new members or guests. What a nice turn out. There were 47 members present.

Dave thanked the Vault Servers and Bartenders for helping.

Dave let everyone know Don Glenn has been extremely sick and was under hospital care. He is home now but has difficulty talking. If you wish to communicate with him, send him a email. We are routing around a card. He is unable to manage the membership dues and Nancy has volunteered to take this on.

Also, Noland Hebrank has been in the hospital for the past few weeks. I understand he has been very sick; I don't know

the details. The majority of us here are at the age when our immune system is not at our best, if you are ill, PLEASE STAY HOME. It is just not worth passing on your illness to anyone.

Kent Cornucopia Days Car Show is coming up very soon. We could use more raffle items. If you have contacts with business, ask for a donation (we haven't had anyone go to Les Schwab yet?) (how about some of the car dealers in the area?). We have plenty of flyers, if you can help distribute them, come up get some from Teresa. Take some to the car shows you attend, take some to the local auto parts. At the June meeting, I will be looking for volunteers to help run this show.
